Teach Your Way

Educational Program

*US Education Only Pricing
Pricing good January 1 - March 31, 2025

Teach Your Way makes it easy for schools to put state-of-the-art projectors in every classroom, with special pricing programs and benefits that eliminate the need for regular filter cleaning, and changing hazardous mercury lamps. BenQ products come with subscription free management tools that enable IT managers to control BenQ projectors, BenQ Boards, and even legacy projectors from brands like Epson and Hitachi at no cost to the school.

One of the Most Awarded Projector Companies in North America
